Dear Members and Friends of the Christian Community in the San Francisco Bay Area,

We will hold our Annual General Members' Meeting on **Sunday, March 15 at 12 Noon**, following the Consecration of the Human Being. All are invited: members as well as those who are not, or are not yet members.

We will provide you with a more detailed agenda of additional topics at the meeting. The **San Francisco Christian Community Website** thechristiancommunitysf.org may have important information about this meeting, as well.

The current Board Members are:

Michael Latham (P), Dietlind Kionke-Thoemmes (VP), Naomi Mattana (Treasurer/Bookkeeper) and Franziska Kionke Nguyen (Secretary).

In lieu of this year's elections, keep this in mind: *What does it mean to serve the San Francisco Christian Community Board of Trustees for two years or longer?* This commitment comes with a responsibility to your congregation and its members, as well as its surrounding neighborhood when it comes to community fundraising activities. Weekly, monthly and annual *Community Acts of Participation* need to be taken care of to keep our church and congregation afloat and operating. A print out of the *Community Acts of Participation* is posted on the fridge in the kitchen at church and one copy placed underneath the round table in the Study (Living Room).

See link below for *Community Acts of Participation*. These *acts of participation* are in addition to assigned tasks decided during the board meetings which are held on a Saturday at least three times or more/year.

Thank you for supporting and trusting us and being an active member in our community. We look forward to seeing many of you and appreciate your presence.

Sincerely Yours,

Franziska Kionke Nguyen
SF CC Board Secretary
